Sinopsis

Discover a tearoom in the back of a flower shop, have fun with a Michelin starred chef who does things like no one else, visit a restaurant hidden away in the heart of Shibuya, have lunch in a Japanese garden, buy a book from the world's smallest bookshop, spend a night on a library bookshelf, listen to classical music in a bar from the 1950s, enjoy a traditional Japanese bath surrounded by plants, sleep in a capsule hotel, celebrate your 'un birthday' at an izakaya, get a massage in a hammock ... This collection is a new approach to the art of traveling that's all about vagabonding around town, chance encounters and unforgettable experiences. Guides for those who want to unlock the hidden doors of a city, feel out its heartbeat, plumb every last nook and cranny to uncover its soul
